# SPONSORSHIP PACKAGES

The three-day *Power of Philanthropy in Organ and Tissue Donation and Transplantation Workshop* (POP Workshop for short!) offers various sponsorship opportunities for organizations looking to connect with forward thinking leaders and practitioners in the donation and transplantation fundraising community. Sponsorships allow us to keep the cost of attendance low and, thereby, support the non-profits attending. Sponsorships also allow you to gain visibility, meaningfully connect with attendees, and contribute to the workshop's mission of elevating the importance of philanthropy in this field.
